The maximum of strength, the minimum of weight, obvisting all spread of the axie, a prevailing source of annoyance to those using road wagons.

Besides the additional strength and security which this great improvement gives to our wagons, an experience of thirty-four years enables us to challenge comparison either in quality or finish.

See certificate from General McClellan:—
NEW YORK, June 1, 1871.

GENTLEMEN:—
I have carefully examined your Patent Vertical Sicel
Plate Axle. I fluid that the addition of the Vertical Plate
renders the axle about two and a hair (23) times as stiff as
it would be without it. Very respectfully.

MILLINERY AND DRESSMAKING. PRESSMAKING.

A cause of complaint at the present time is extravagance in ladies' wearing apparel. What it costs now to dress a lady of fashion would have supported an extire family a few years ago. Messrs, LORD & TAYLOR, to prove that a retrenchment is possible, have so arranged their Dressmaking Department that economy in material and trimmin: is particularly studied in every detail, and they are now furnishing Dresses at a much less price than the cost of imported garments, while for style, fix appearance and general make up they are every way equal to the finest Parisian manufacture.
